Submitted via email (AskCR@hq.doe.gov)

PJM is submitting this daily report to comply with the DOE Daily Reporting requirement in Paragraph C of the November 17, 2026, Order No. 202-26-25B (DOE), which provides that:

If Wagner Unit 4 has been dispatched and operated in reliance on this Order, PJM shall provide the business day following the dispatch and operation, notification to the Department of Energy (via AskCR@hq.doe.gov). Such notification shall include information on levels of exceedance of the annual operating limit.

On November 24, 2026:

- Wagner Unit 4 started running under Order No. 202-26-25B at 00:00 through 23:59.
