6/12/2020

### 1. MIC Special Session: Fuel Cost Policy

#### Issue Status

- a. The changes related to the PJM ICC Package for KW#3 were filed with the FERC on May 4, 2020 under docket no. ER20-1764-000. The requested effective date is September 1, 2020.
- b. Committee is continuing to work on KW#4 and is brainstorming solution options and beginning to review proposals.

#### Target Completion

- a. KW#4: August 2020

#### Progress Update

- a. At the May 29, 2020 meeting, the committee reviewed PSEG's proposal for KW#4 as well as the IMM's Special Session Recommendation presentation which provided an overview of past penalties as well as proposed significant changes to Manual 15. The IMM suggested sunsetting this Special Session and moving the KWA#4 discussions to the Cost Development Subcommittee. Stakeholders have indicated they wish to continue the Special Session and were requested to provide feedback on PSEG's proposal as well as provide any additional solution options or proposals they would like considered. At the next meeting on June 29, 2020, the group will continue reviewing packages.
