

# Resource Tracker: Timing and Task Requirements

Rebecca Stadelmeyer  
Manager, Client Management  
Operating Committee  
October 9, 2018

Action Required	Deadline	Who May Be Affected
Respond to survey	<b>10/24/2018</b>	Unit Owners
1 <sup>st</sup> Read – Survey results & solution at OC	<b>11/06/2018</b>	OC representatives & Unit Owners
1 <sup>st</sup> Read – Survey results & solution at MRC	<b>12/6/2018</b>	MRC representatives & Unit Owners
Endorsement vote at OC	<b>12/11/2018</b>	OC representatives & Unit Owners
Endorsement vote at MRC	<b>12/20/2018</b>	MRC representatives & Unit Owners
Effective	<b>12/20/2018</b>	Unit Owners

- Per Section 11.3.1(a) of the Operating Agreement, Members are responsible for maintaining complete and accurate records
- Resource Tracker created in 2013 to provide a single point mechanism for generator ownership information
  - Ownership changes
  - Energy, Capacity and Ancillary Service Ownership
  - Bidding Company
  - Dispatching Company
- Bi-annual confirmation period

	Current	Proposed
Location	User Guide	Manual 14D, Section 5.3.7 (new)
Deadline	June 1 and December 1	Survey Results* (PJM – December 1 only)
Window Opening	May 15 and November 15	Survey Results* (PJM – November 1)
Window Duration	2 weeks	Survey Results* (PJM – 4 weeks)
Tasks	Ensure ownership information is complete and accurate	Status quo

\*Survey will consist of 9 different packages that look at 3 different deadline dates (Nov 1, Dec 1 or Jan 1) with 3 different window durations (~2, ~3 or ~4 weeks). PJM provided its preference but will support the most favorable survey option.

- Formatting
- Additional data
  - Queue number (PJM auto-populated)
  - Restoration Drill contact info (Unit Owner action required)
- User Guide update
- Updates will be given at Tech Change Forum and System Restoration Coordinators Subcommittee
