

May 18 Order on PJM's Order No. 881 Compliance Filing

Mark Stanisz
Associate General Counsel

Operating Committee
June 8, 2023

- Late 2021/early 2022: FERC issued Order No. 881 and Order No. 881-A
 - Compliance by July 12, 2025
 - Extensive stakeholder engagement in first half of 2022
- July 12, 2022: PJM submitted Order No. 881 Compliance Filing
 - Proposed addition of Attachment W to Tariff
- May 18, 2023: The Commission issued an Order on Compliance Filing accepting in part PJM's July 12, 2022 Compliance Filing
 - Two additional compliance filings directed

PJM must submit a compliance filing that:

1. Explains PJM’s timeline for notifying the Commission of the precise effective date for the Tariff revisions
2. Addresses issue relating to technical limitations in definition of “Thermal Transmission Facility Ratings”
3. Clarifies use of AARs as part of day-ahead and real-time markets
4. Proposes methodology for AAR implementation delineating expected roles between transmission owners and transmission provider; and
5. Clarifies whether PJM will share line ratings with any transmission provider (not just RTOs/ISOs)

- PJM must submit a compliance filing that explains the timeline for calculating AARs
