

## NEW SERVICE REQUEST REVIEW PERIOD

### Issue Source

PJM Interconnection Projects Department

### Issue Content

As a result of the systemic increase in queue volume, particularly at the end of a Queue window, consider enhancements to the five Business Day period for PJM to acknowledge receipt of a New Service Request, undertake a deficiency review of a New Service Request, or review the information provided by an Interconnection Customer in response to the initial deficiency notice.

### Key Work Activities and Scope

1. Provide an overview of the process.
2. Review proposed solution.

### Expected Deliverables

1. Rule changes to the current five Business Day period for PJM to acknowledge receipt of a New Service Request, undertake a deficiency review of a New Service Request, or review the information provided by an Interconnection Customer in response to the initial deficiency notice.
