

# DTS Update

Michael Hoke

Sr. Section Lead, State & Member Training

System Operations Subcommittee

December 2, 2022

- The draft training plan for 2023 can be found here:
  - <https://www.pjm.com/-/media/training/2023-draft-training-plan.ashx>
- Annual review of training topics for Transmission Owner Operators was completed
- PJM Transmission and Generation Exams were republished in November
  - Cut score increase for the Transmission Exam from 65 to 67
  - No increase in cut score for Generation Exam
- Exam Working Group (EWG) participants – PJM Generation and Transmission
- Reach out as soon as possible to State and Member Training with any concerns about personnel not meeting the certification and training requirements
  - Keep in mind that PJM allows retesting as a means of maintaining a credential
