

# CAPSTF Poll & Voting Results

## Conceptual Design Solution Packages

Scott Baker, Facilitator

- Given that some clean attribute procurement market concepts directly interact with PJM capacity market operations, and some may indirectly affect capacity market outcomes, I would prefer that the CAPSTF suspend discussions on all clean attribute procurement market concepts until the Critical Issue Fast Path process on capacity market reforms has been completed.

	Number of Responses	Percent %
Yes	173	98%
No	4	2%

- I/My company supports PJM stakeholders undertaking additional work to develop the clean attribute procurement conceptual market design in Package [A, B, or C], recognizing that a future vote would be taken on the merits of:

Question	Yes	No	Abstention	Tally	Pass/Fail
Package A	45	65	40	41%	FAIL
Package B	37	75	38	33%	FAIL
Package C	19	89	42	18%	FAIL
