

Regulation Market Design Senior Task Force Next Steps

Michael Herman
Facilitator, RMDSTF

- RMISTF (old task force) work from 2017 set the stage for initial discussion and background for the RMDSTF
- RMDSTF first met March 2022
 - The formation of the RMDSTF initiated out of a quick fix proposal at the MRC for an undefined mileage ratio and stakeholders requested a more holistic review of the regulation market in a Sr. Task Force.
- RMDSTF has held nearly 20 total stakeholder meetings to date.
- Package Support vote, May 2023

- Results of RMDSTF vote indicate support for a single package.
- PJM SMEs/Legal developing draft governing document redlines.
- October RMDSTF (DATE TBD) will review draft language
 - No voting power
- October MRC (10/25/2023) first read of governing document redlines
 - MRC vote expected at 11/15/2023 Meeting
