RE: Consumer Advocate Organization Funding

Dear Chairman Schneider and Members of the Board of Managers:

I write on behalf of five New Jersey municipal electric systems that are also PJM members. We wish to express our support of the request for funding for Consumer Advocates of PJM, Inc. (CAPS).

Those who have made this request have clearly stated their reasons in a letter to you dated November 19, 2010. We respectfully request that you carefully consider the content of that letter and trust that you will find that the CAPS request is fully-justified. We further request that you elect to file a proposal to fund CAPS with the Federal Energy Regulatory Commission (FERC) at your earliest convenience.

Thank you for your service and consideration of this request.

Sincerely,

James A. Jablonski
