* PJM's Schedule 9 of the Open Access Transmission Tariff (OATT) has been amended pursuant to the December 20, 2005 FERC order, docket number ER06-78-000. This rate is intended to recover the costs to support OPSI. It is effective January 1, 2006 and will be assessed on each megawatt hour (MWh) of transmission provided during the calendar year. OPSI is the regional state committee (RSC) in the PJM region. This committee is comprised of representatives from the regulatory commissions in the PJM footprint.
