

Subject: Additional DSRWG Meeting Scheduled for November 13

Dear Member,

The MIC voted, as many of you know, on the Proposed Economic DSR Structure earlier this week. The vote of all present dues paying PJM members was 29 in favor, 73 opposed, and 5 abstaining. This vote will be reported to the MRC on November 14. The MIC tasked the DSRWG with providing revised Customer Baseline (CBL) rules for the MIC's December 13 meeting. The MIC also decided to take up the issue of the Economic DSR incentive payment, including putting bounds around said incentive payment, at its 12/13 meeting.

A number of DSRWG participants after the MIC asked PJM staff to schedule a DSRWG meeting before the next scheduled meeting on November 28. The commonly expressed concern has been that waiting until the 28th to get started on CBL rules will reduce the possibility of reaching consensus or of preparing well organized majority and minority proposals.

PJM has scheduled an **additional DSRWG for Tuesday, November 13**. The agenda for this meeting will be limited to the CBL task assigned by the MIC and any other Economic DSR structure discussion that the working group desires. The location for the DSRWG 11/13 meeting will be circulated when known.
