Dear Ms. Watson, Ms. English, and Mr. Giannasca:

On December 20, 2017, PJM Interconnection, L.L.C. (PJM) submitted, on behalf of Virginia Electric and Power Company (VEPCO), The Potomac Edison Company (Potomac Edison), and Monongahela Power Company (Mon Power), an executed transmission Interconnection Agreement (IA).¹ The IA governs the interconnection of the VEPCO transmission system with the Potomac Edison transmission system and the VEPCO transmission system with the Mon Power

transmission system.² The filing states that the IA supersedes the prior version of the IA which is being cancelled concurrently with this filing.³

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. § 375.307, your submittal is accepted for filing, effective February 20, 2018, as requested.

The filing was noticed on December 20, 2017, and an errata notice was issued on January 3, 2018, with comments, interventions and protests due on or before January 10, 2018. Pursuant to Rule 214 (18 C.F.R. § 385.214 (2017)), to the extent that any timely filed motions to intervene and any motion to intervene out-of-time were filed before the issuance date of this order, such interventions are granted. Granting late interventions at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation, or practice affecting such rate or service contained in your filing; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against PJM, VEPCO, Potomac Edison, Mon Power and West Penn.

² The IA does not include interconnection of the VEPCO transmission system with the West Penn Power Company (West Penn) as West Penn no longer owns transmission facilities interconnected to VEPCO's transmission system.

³ Notices of Cancellation of VEPCO Rate Schedule FPC No. 99, Mon Power Rate Schedule FPC No. 32, Potomac Edison Rate Schedule FPC No. 33, and West Penn Rate Schedule FPC No. 31.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kurt Longo". The signature is written in a cursive style with a large initial "K" and a long, sweeping tail on the "o".
