

Customer Notification:

Instructions for reserving transmission across the switch from **Eastern Standard Time to Eastern Daylight Saving Time on Sunday Apr 2nd** . This switch will occur at 2 AM Eastern Daylight Time and at 1AM Eastern Standard Time. The switch on the OASIS will occur in EST, so hour beginning 1 will be dropped.
- 2EDT- 3EDT =1EST- 2EST

Eastern Daylight Saving time will end on April 2nd. As a consequence, on that day there will be one less hour between 02:00-03:00, the result being a 23 hour day.

OASIS Functionality:

The daylight savings time change will be listed as below.

The screenshot shows the PJM eSuite interface. The main content area displays a query for transmission reservations. The table below shows the details of the reservations.
