

## Simultaneous PJM Import Capability

Please, read and agree to the Disclaimer below by signing, prior to PJM releasing the requested Simultaneous Import Capability study report.

*Disclaimer:*

*PJM performed the attached Simultaneous Import Capability studies on behalf the PJM transmission owners for their use in a FERC triennial report. PJM performed the Simultaneous Import Capability studies using the best available analysis tool. PJM provides the Simultaneous Import Capability studies with the express understanding that PJM MAKES NO REPRESENTATIONS OR WARRANTIES WHATSOEVER, WHETHER STATUTORY, WRITTEN, ORAL, OR IMPLIED WITH RESPECT TO THE SIMULTANEOUS IMPORT CAPABILITY STUDIES, THE RESULTS THEREOF OR ANY INFORMATION CONTAINED THEREIN AND HEREBY DISCLAIMS SUCH WARRANTIES. Member specifically waives all rights to make claim against PJM for breach of any warranty whatsoever. Member shall bear all risk for use of the Simultaneous Import Capability studies. Moreover, Member agrees to indemnify, defend and hold harmless PJM against any loss, liability, costs, actions, expenses and damages of any nature whatsoever, arising out of Member's use of the Simultaneous Import Capability studies for any purpose whatsoever.*

I agree to the above Disclaimer.
