

PJM Outage Acceleration Program
Outages scheduled for April 2007

There are nine (9) outages scheduled in April 2007 that meet the three day, \$500,000 FTR revenue inadequacy criteria required for inclusion in the PJM Outage Acceleration Program. The nine (9) outages that are projected to contribute to FTR revenue inadequacy and the projected revenue inadequacy are:

The projected revenue inadequacy does not consider the impact of operating actions that have not yet been identified but may be developed and employed to reduce the required off cost generation during any of the above outages. Any market participant may submit a request prior to the Close of Business on 02/23/07 to fund the incremental cost associated with reducing the market impact of any of the above outages by contacting PJM's OASIS hotline at (610) 666-8972 or e-mail address oasisadmin@pjm.com
