

PJM Outage Acceleration Program
Outages Scheduled for December 2008

There is one (1) outage scheduled to begin in December 2008 that exceeds five days in duration and is projected to result in \$500,000 or more of FTR revenue inadequacy. The outage that is eligible for the PJM Outage Acceleration program is listed in the table below along with the corresponding projected revenue inadequacy.

Ticket No.	Comp	Start Date	End Date	Duration (Days)	Station	Voltage	Equipment Name	Projected Revenue Inadequacy
245928	APS	12/01/2008	12/19/2008	18.5	CABOT	500 KV	CAB-KEY	\$763,038

The projected revenue inadequacy does not consider the impact of operating actions that have not yet been identified but may be developed and employed to reduce the required off cost generation during the above outage. Any market participant may submit a request prior to the Close of Business on 10/22/2008 to fund the incremental cost associated with reducing the market impact of the above outage by contacting the PJM OASIS hotline at (610) 666-8972 or PJM Outage Acceleration e-mail distribution list address: outage_acceleration_group2@pjm.com
