

The screenshot shows the 'Capacity Postings' section of the eSuite application. The interface includes a search form with fields for Company (PJMST), Resource, Posting Type (Buy), From Date, To Date, and Capacity Range. A table below the form displays a single posting record. The left sidebar contains 'eCapacity Tools' with buttons for Capacity Position, Transactions, FTRs, Markets, ALM, and Reports & Notifications. The bottom of the page features buttons for Retrieve Posting, Create Posting, and Create Transaction.

Postings organizer allows user to search for postings based on certain criteria

Posting Types:

- Buy: Request to Buy
- Sell: Offer to Sell

Located in the Transactions tool
