

Below is a summary of the Annual Auction Revenue Right (ARR) Allocation for the 2003/2004 Planning Period. Financial Transmission Rights (FTRs) were allocated to LSEs in the PJM West zone during this annual allocation process. The binding constraints are transmission system limitations which limited the amount of ARR (FTRs for PJM West) which could be approved.

Total ARR MWs/PJM West FTR MWs Approved: 34772.0

Binding Constraints:
