

**PJM Interconnection
PJM Planning Committee Meeting – Special Teleconference Session
Minutes of the 144th Meeting
September 27th, 2010
1:30 PM**

1. ADMINISTRATIVE

Mr. Falin called the meeting to order.

2. ITRON PRESENTATION

Mr. Monforte and Mr. McMenamin from Itron presented the results of their analytical review of the PJM load forecasting model. The review included a number of slides and a technical discussion of the data.

3. QUESTIONS AND ANSWERS

Members of the Planning Committee asked Itron staff a number of technical questions and discussed some specific areas of the Itron assumptions and analysis. Mr. Falin stated that the full Itron reports will be released on October 1, 2010 and that the Planning Committee should be prepared to discuss the reports and Itron recommendations at the October 6, 2010 Planning Committee meeting.
