Dear Mr. Herling,

Reference: PHI's MAPP Project

The Town of Berlin, MD is writing to express its support for PHI's MAPP project. The Town of Berlin is a small municipal located in Worcester County, MD approximately 6 miles west of Ocean City, MD. The town owns and operates its own electric utility which includes 7MW's of backyard generation.

As a utility in the Mid-Atlantic region, the Town fully supports and encourages enhancements to the transmission resources servicing our area as it will increase reliability and provide additional opportunities for better wholesale power pricing for the benefit of our customers.

Sincerely

Linda Bambarly
