eData / Data Viewer User Group

Order Complexity. Represent Simplicity.

April 22, 2014
As part of the on-going effort to update its eTools suite, PJM will be refreshing eData
- eData will become Data Viewer
- eDataFeed will be expanded

Agenda
- Goals of Data Viewer Users Group
- Explanation of Project
- Explanation of what this meeting is about
- Open forum
Goals of the Data Viewer Users Group

- Provide input to the requirements for Data Viewer
- Provide feedback for user experience
- Provide feedback for testing
- Provide feedback for a timeline
  - Are there any changes participants may need to make and if so, how much lead time is needed?

Logins

MWh

* Peak-Day (M-F, non-holidays)
eData Total Logins by Sector
12/26/13 – 3/26/14
What this meeting is about

• PJM would like your feedback on the current eData and eDataFeed tools…
  – What do you like about the current tools?
  – What don’t you like?
  – What would you like to see different?
  – What other data you like to see made available?
