

PJM General Session

December 2, 2009

Please use this card to make note of your questions on the following topics. **Please circle the topic you wish to address.** Feel free to use the reverse side of the card if necessary for jotting down your question/comment. You may sign your card **if you wish.** Your card will be collected and submitted for panel discussion.

1. Where are we on the Road to Recovery and how that may affect demand, supply and prices?
2. What does the investment future look like?
3. The potential impacts of potential environmental policy on the electric utility industry.
4. Cost and price challenges in the years ahead.
