

Jonathan Peress

Air Policy Director –
Natural Gas
Environmental Defense Fund

Jonathan Peress recently joined Environmental Defense Fund after serving five years at the Conservation Law Foundation where he managed its clean energy and climate advocacy. Prior to joining CLF, Mr. Peress practiced law representing power plant owners and utilities at Dewey & LeBoeuf. He also worked at NRG Energy where he was the director of Environmental Services. His work at Environmental Defense Fund focuses on the midstream and downstream sectors of the natural gas supply chain with a primary goal of advancing energy market structures that call forth and provide accurate price signals for the most economic infrastructure, products and services on the gas side. Mr. Peress is on the board of directors of the North American Energy Standards Board, and previously chaired the Air Quality Committee of the American Bar Association.
