AGENDA
Credit Subcommittee
PJM Interconnection
Conference Call
Friday, July 18, 2014
9:30 a.m. – 12:00 p.m.

1. Administration (9:30 – 9:40 am)
   The Secretary will take roll call of all participants for the meeting.
   PJM will ask for comments and or questions on the June 10, 2014 meeting minutes.

2. Credit Application Programming Interface (API) (9:40 – 9:50 am)
   Mr. Loomis will provide an update on the requested credit API.

3. Risk Policies (9:50 – 10:00 am)
   Mr. Loomis will present possible Credit Policy changes which would allow for electronic submission of the Officer Certification form and would allow members to certify that their risk policies and procedures have not changed, rather than resubmit them annually. The Members will be asked if there is a consensus to move the proposed changes forward in the stakeholder process.

4. Virtual Transactions Credit Requirement Timeframe (10:00 – 10:10 am)
   Mr. Loomis will present possible Credit Policy changes that would reduce the virtual transactions credit requirement to cover two days instead of four, along with other related changes. The Members will be asked if there is a consensus to move the proposed changes forward in the stakeholder process.

5. Demand Bid Screening (10:10 – 10:20 am)
   Mr. Loomis will present a proposed Credit Policy change to provide for screening of Demand Bids. The Members will be asked if they have any other alternatives to analyze or if they support moving the proposed change forward in the stakeholder process.

6. FTR Analysis (10:20 – 10:40 pm)
   Mr. Loomis will present recent analysis on FTR Undiversified exposure.

7. PMA Credit Requirements (10:40 – 11:30 am)

   b. Mr. Loomis will lead a discussion on potential changes to PMA credit requirements based on member suggestions received prior to the meeting. Members are encouraged to submit any additional concepts
prior to the meeting so they can be posted and considered by all members prior to discussion at the
meeting.

8. **INC/DEC Credit Requirements Algorithm (11:30-11:35 pm)**

Given that the analysis presented at the February 4, 2014 Credit Subcommittee meeting demonstrates that the
current INC/DEC credit requirement appears to be rendering a reasonable balance between exposure and credit
requirements, PJM plans to temporarily defer analysis of changes to the INC/DEC credit requirement algorithm in
order to pursue other initiatives.

9. **Future Agenda Items (11:35 am – 11:40 pm)**

Members are welcome to request additional discussion items at this or any future meeting.

If any of these items are discussed the chair will re-direct the conversation. If the conversation still persists, parties will be asked to leave the meeting or the meeting will be adjourned.
