

**AGENDA**  
**PJM Interconnection**  
**Load Analysis Subcommittee**  
**The Chase Center on the Riverfront**  
**Wilmington, DE**  
**August 25, 2009**

**1. MEETING ARRANGEMENTS AND INTRODUCTIONS**

**2. STATEMENT OF LAS ASSIGNMENT**

Mr. Falin will review the load forecast review process to date and the current assignment to the LAS.

**3. PRESENTATION OF PROPOSAL**

Mr. Wilson will present a proposal to use a consensus economic forecast to drive the PJM load forecast model.

**4. PRESENTATION BY MOODY'S ECONOMY.COM**

Mr. Cochrane will present information on the process involved to use the Economy.com U.S. macroeconomic model to develop a scenario consistent with a consensus economic forecast.

**5. DISCUSSION**

Members will have an opportunity to have a roundtable discussion of the proposal.

**6. DEVELOPMENT OF PRO/CON LIST**

A list to address the benefits and shortcomings of the proposal will be developed for use by the Planning Committee.

**7. NEXT STEPS**
