

**AGENDA**  
**PJM Interconnection**  
**Load Analysis Subcommittee**  
**Teleconference / Web Conference**  
**September 8, 2009**  
**1:00 PM (Eastern)**

**1. MEETING ARRANGEMENTS AND INTRODUCTIONS**

**2. PRICE-RESPONSIVE DEMAND**

Mr. Falin will summarize PJM's initiative to include price-responsive demand in the PJM Load Forecast Report and RPM market.

**3. REVIEW OF LAS ASSIGNMENT**

Mr. Falin will review the load forecast review process to date and the current assignment to the LAS.

**4. PRESENTATION OF REVISED LECG PROPOSAL**

Mr. Wilson will present his revised proposal to use a consensus economic forecast to drive the PJM load forecast model.

**5. RESPONSE BY MEDC TO REVISED LECG PROPOSAL**

Mr. Cochrane will discuss MEDC's response to the revised LECG proposal.

**6. LAS ROUNDTABLE DISCUSSION OF REVISED LECG PROPOSAL**

Members will participate in a roundtable discussion of the revised proposal.

**7. DEVELOPMENT OF REVISED PRO/CON LIST**

A list to address the benefits and shortcomings of the proposal will be developed for use by the Planning Committee.
