Manual M-13 Changes

January 2014
• Demand Response rule changes:
  - New categories: Pre-Emergency and Emergency
  - New notification times: 30, 60 and 120 minutes notice
  - Sub-zonal DR is permissible
- Exhibit 1 Action steps modified to reflect Pre-Emergency and Emergency Load Management
- Updates to Steps 1 and 2 to reflect the new categories and times.
- Noted that the minimum duration is 1-hr
- Added clarification that the official notice for CSPs to dispatch DR resources is the eLRS System. EPs will continue to be posted.
  - The All-Call will continue to be issued but will be generic and indicate that DR has been called and that details are available on the EP website.
- Deleted Note 3 due to redundancy
