

BSSTF Informational Agenda Item July 12, 2011 MIC

The Black Start Services Task Force (BSSTF) met on 6/21/11. Meeting included the following discussion items:

A. Schedule 6A Formula Rate and cost components review.

1. PJM provided a review of report on the Schedule 6A Formula Rate and its cost components.

B. August, 2010 Charter Items:

1. Black Start Refurbishment Process

- a. PJM reviewed sample revenue stream alternative template for Schedule 6A and RPM revenues to facilitate review of cost recovery concepts with BSSTF.
- b. PJM solicited feedback from BSSTF on cost recovery alternatives including list of pros and cons.

2. Fuel Storage / Opportunity Costs for Pumped Storage Units

- a. Deleted as a charter item per 5/10/11 MIC.

3. Next Steps:

- a. Finalize pros and cons list for cost recovery alternatives at next BSSTF meeting, and determine BSSTF consensus on cost recovery alternatives.
- b. Finalize manual language to support new Black Start Refurbishment process.
- c. Next BSSTF meeting is 7/25/11 -- 10:00am – 12:00noon.
