Harmonizing Provisions of Governing Documents

(Includes Problem/Opportunity Statement)

Issue Source
PJM’s General Counsel’s Office identified this issue while reviewing concepts in the governing documents.

Stakeholder Group Assignment
This issue will be assigned to a new Tariff Harmonization Senior Task Force, which will report to the Markets and Reliability Committee.

Key Work Activities
The Tariff Harmonization Senior Task Force shall:

1. Review current Tariff, Operating Agreement, Reliability Assurance Agreement and Manual 35 provisions related to:
   - Definitions
   - Indemnification
   - Limitation of liability
   - Alternative Dispute Resolution procedures

2. Identify and resolve inconsistencies.

3. Develop proposed governing document revisions.

Expected Deliverables
Proposed governing document revisions.

Expected Overall Duration of Work
This expected duration of work is 6 to 12 months.

Decision-Making Method
Tier 1 consensus (unanimity) on a single proposal is the expected decision-making method for this issue.
