Harmonizing Provisions of Governing Documents

(Includes Problem/Opportunity Statement)

**Issue Source**
PJM’s General Counsel’s Office identified this issue while reviewing concepts in the governing documents

**Stakeholder Group Assignment**
This issue will be assigned to a new Tariff Harmonization Senior Task Force, which will report to the Markets and Reliability Committee.

**Key Work Activities**
The Tariff Harmonization Senior Task Force shall:

1. Review current Tariff, Operating Agreement, Reliability Assurance Agreement and Manual 35 provisions related to:
   - Definitions
   - Indemnification
   - Limitation of liability
   - Alternative Dispute Resolution procedures
2. Identify and resolve inconsistencies.
3. Develop proposed governing document revisions.

**Expected Deliverables**
Proposed governing document revisions.

**Expected Overall Duration of Work**
This expected duration of work is 6 to 12 months.

**Decision-Making Method**
Tier 1 consensus (unanimity) on a single proposal is the expected decision-making method for this issue.
