Conference Call: 866-469-3239; Meeting ID: 358 850 337
Norristown, PA
December 7th, 2009
2:00 PM

1. **WELCOME & INTRODUCTION**

2. **AGENDA REVIEW**

Ron DeLoach will layout the topics that will be discussed during the meeting.

3. **ENHANCEMENTS SCHEDULED FOR DECEMBER 11TH RELEASE**

Ron DeLoach will outline enhancements to the transmission related functionalities in eDART. These include:

- Power Systems Stabilizer (PSS) – New type of ticket to capture outages to unit PSS.
- XML Throttling – Limitations to download frequency for eDART and Emergency Procedures.

4. **SECONDARY EDART RELEASE**

Ron DeLoach will review a post-release change scheduled at a later date.

- EMS Outage List – Inclusion of the data from the top section of the OASIS linesout file into the Transmission Outage Ticket application with availability for download via TOIMWG.

5. **QUESTION AND ANSWER RESOLUTION SESSION**
