- **Welcome & Introduction**

- **Agenda Review**
Ron DeLoach will layout the topics that will be discussed during the meeting.

- **Minutes Review**
Ron DeLoach will review the minutes of the December 7th, 2009 EDUG-T meeting.

- **May 5th 2010 Enhancement Review**
Ron DeLoach will discuss the new functionalities added to eDART that include:
 - Enhancements to the Telemetry Coordination process to make it more efficient. Users will no longer need to add update or request access to Object IDs using the application.
 - Enhancements to the Transmission Outage Ticket application include the following:
 - Using equipment dates in notification emails.
 - Location and availability changes to the EMS Outage List
 - PJM and member comment logging.
 - Enhancements to TERM Functionality including ability for summer/winter Bulk Uploads. Also updates to tickets identifying Tie Lines and Breaker-to-Breaker facilities.

- **Question and Answer Resolution Session**
 - This will be an open forum for all participants to discuss any further issues being experienced using the eDART functionality.
