

AGENDA
PJM Interconnection
Regional Planning Process Working
Chase Center - Wilmington, DE
August 26, 2010
9:30am – 3:00pm

1. CHARTER DISCUSSION

Mr. McNamara will guide a discussion on the direction provided by the MRC regarding the charter.

2. REVIEW OF ORDERS

Ms. Foley will review the LS Power, Primary Power and NOPR orders.

3. INTEREST IDENTIFICATION AND EXPLORATION

Mr. McNamara will ask the members for their feedback on why and how the topic of alternate transmission project proposals is or is not important to their organizations.

4. WORKPLAN FOR ALTERNATE PROJECT PROPOSALS

Mr. McNamara will lead a discussion on developing a workplan to address how PJM handles alternate transmission project proposals.

5. CRITERIA DISCUSSION

Mr. McNamara will review the statistics from different states on Demand Response and Energy Efficiency as discussed at the last RPPWG on 8/6/10.

6. FUTURE MEETINGS

September 10, 2010
