**Re: PPL Electric Utilities Corporation**  
**Docket No. ER08-1457-\_\_\_\_\_**  
**Errata to November 26, 2008 Compliance Filing**

Dear Secretary Bose:

On November 26, 2008, in compliance with the order of the Federal Energy Regulatory Commission (“Commission”) issued on October 29, 2008 in the above-referenced proceeding,<sup>1</sup> PPL Electric Utilities Corporation (“PPL Electric”) submitted for filing substitute tariff sheets for Attachment H-8H to the PJM Interconnection, L.L.C. (“PJM”) Open Access Transmission Tariff (“Tariff”). In that filing, PPL Electric failed to remove paragraph d from Section 4 on Substitute Original Sheet No. 309 XXX.

PPL Electric submits this errata filing to its November 26, 2008 compliance filing to remove paragraph d from Section 4 on Sheet No. 309 XXX and renumbered the remaining paragraphs accordingly. PPL Electric withdraws Substitute Original Sheet No. 309 XXX that was included in the November 26, 2008 compliance filing and requests that the Commission replace it with Second Substitute Sheet No. 309 XXX that is attached to this filing. No other changes to the Tariff were made.

PPL Electric will serve a copy of this filing on all parties on the official service list for this proceeding. In addition, in accordance with Part 35 of the Commission’s regulations, 18 C.F.R. Part 35 (2008), PPL Electric will have copies of this filing available for inspection at PPL Electric’s corporate headquarters in Allentown,

Pennsylvania. PPL Electric has also provided a copy of this filing to PJM, so that PJM may serve a copy of this filing on all PJM members (which include all affected transmission customers) and upon the state utility regulatory commissions in the PJM region by posting this filing on its website (<http://www.pjm.com>) and providing a link to such posting via email. Accordingly, PPL Electric requests a waiver of the requirement to serve this filing on transmission customers and state commissions in the PJM region by mailing paper copies.

For the reasons stated in its November 26, 2008 compliance filing, PPL Electric respectfully requests that the Commission accept the substitute tariff sheets, as modified herein, as consistent with its directives in the October 29 Order.

Sincerely,

A handwritten signature in black ink, appearing to read 'W M Keyser', with a long horizontal flourish extending to the right.
