Reference: Interconnection Service Agreement

Dear Ms. Foley:

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. § 375.307, your submittal filed in the above referenced docket is accepted for filing, effective July 1, 2010, as requested.¹

On August 2, 2010, you filed an executed interim Interconnection Service Agreement (ISA) entered into among PJM, Bishop Hill Energy LLC and Commonwealth Edison Company. You state that PJM is submitting the ISA for filing because the agreement contains terms that do not fully conform to the *pro forma* agreement set forth in the PJM Tariff and because non-standard terms and conditions are necessary to accommodate the interconnection.

Notice of the filing was published in the Federal Register with comments, protests or interventions due on or before August 23, 2010. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

¹ Original Service Agreement No. 2552 under PJM Interconnection, L.L.C., FERC Electric Tariff, Sixth Revised Volume No. 1.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification or any rule, regulation, or practice affecting such rate or service contained in your filing; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or any which may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against your company.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Jignasa Gadani, Director
Division of Electric Power
Regulation – East
