Attention: James Burlew
Counsel for PJM Interconnection, L.L.C.

Reference: Conversion of the DEOK Zone transmission service to NITS under PJM's
OATT

Dear Mr. Burlew:

On October 21, 2011, PJM Transmission, L.L.C. (PJM) filed executed Network Integration Transmission Service Agreements (NITSAs) to convert existing Network Integration Transmission Service (NITS) or point-to-point transmission service currently provided under the Midwest Independent Transmission System Operator's tariff for service in the Duke Energy Ohio and Duke Energy Kentucky transmission service areas (the DEOK Zones) to NITS under the PJM OATT.¹ PJM states that it is filing the NITSAs with the Commission because although they contain terms that conform to the form of service agreement for NITS in Attachment F or F-1 to the PJM Tariff, the circumstances under which the NITSAs were granted are non-conforming.

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. §375.307, your submittal is accepted for filing, effective January 1, 2012, as requested.

¹ Original Service Agreement Nos. 3100, 3101, 3102, 3103, 3104, 3105, 3106, 3107, 3108, 3109, 3110, and 3111.

The filing was noticed on October 24, 2011, with comments, interventions and protests due on or before November 14, 2011. Pursuant to Rule 214 (18 C.F.R. § 385.214 (2011)), to the extent that any timely filed motions to intervene and any motion to intervene out-of-time were filed before the issuance date of this order, such interventions are granted. Granting late interventions at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation, or practice affecting such rate or service contained in your filing; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against PJM.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Jignasa Gadani, Director
Division of Electric Power
Regulation – East
