Attention: Jennifer Tribulski, Esq.
Senior Counsel

Reference: Interim Service Agreement No. 3197

Dear Ms. Tribulski:

On February 6, 2012, PJM Interconnection, L.L.C. (PJM) filed an executed interim Interconnection Service Agreement (Meldahl Hydro Interim ISA) entered into among PJM, American Municipal Power, Inc., and Duke Energy Business Services, LLC acting as agent for Duke Energy Ohio, Inc.¹ PJM states that the Meldahl Hydro Interim ISA facilitates commencement of work on the 345kV three-breaker ring bus substation in advance of the parties entering into a final ISA and Interconnection Construction Service Agreement. The Meldahl Hydroelectric Plant is a 112 MW facility located at the Meldahl locks and dam on the Ohio River. PJM also states that the Meldahl Hydro Interim ISA is being submitted for filing because it contains non-standard terms and conditions necessary to accommodate the interconnection.

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation – East, under 18 C.F.R. § 375.307, your submittal is accepted for filing, effective January 1, 2012, as requested.

The filing was noticed on February 7, 2012, with comments, interventions and protests due on or before February 27, 2012. Pursuant to Rule 214 (18 C.F.R. § 385.214 (2011)), to the extent that any timely filed motions to intervene and any motion to

intervene out-of-time were filed before the issuance date of this order, such interventions are granted. Granting late interventions at this stage of the proceeding will not disrupt the proceeding or place additional burdens on existing parties.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification, or any rule, regulation, or practice affecting such rate or service contained in your filing; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against PJM.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Jignasa Gadani, Director
Division of Electric Power
Regulation – East
