Re: PJM Interconnection, L.L.C., Docket No. ER15-596-000
PJM Open Access Transmission Tariff, Schedule 12-Appendix A
Errata to Pending Filing

Dear Secretary Bose:

On December 5, 2014, PJM Interconnection, L.L.C. (“PJM”) submitted to the Federal Energy Regulatory Commission (“Commission”) amendments to Schedule 12-Appendix A of the PJM Tariff to incorporate cost responsibility assignments for baseline upgrades included in the recent update to the Regional Transmission Expansion Plan (“RTEP”) approved by the PJM Board of Managers (“PJM Board”) on November 5, 2014.¹ This filing is currently pending before the Commission. PJM submits this errata filing to correct a typographical error in the December 5 Filing Letter.

I. Description of Errata Filing

Specifically, PJM noticed that the December 5 Filing Letter incorrectly represents that the RTEP changes included approximately $608.5 billion in additional transmission enhancements and expansions. That number is incorrect and should be changed to $608.5 million in additional transmission enhancements and expansions.

II. Effective Date

PJM requests a waiver of the Commission’s notice requirements to permit a March 5, 2015 effective date, which corresponds to the effective date requested in the December 5 Filing Letter.

III. Service

PJM has served a copy of this filing on all PJM Members and on all state utility regulatory commissions in the PJM Region by posting this filing electronically. In accordance with the Commission’s regulations, PJM will post a copy of this filing to the FERC filings section of its internet site, located at the following link: http://www.pjm.com/documents/ferc-manuals/ferc-filings.aspx with a specific link to the newly-filed document, and will send an e-mail on the same date as this filing to all PJM Members and all state utility regulatory commissions in the PJM Region alerting them this filing has been made by PJM and is available by following such link. If the document is not immediately available by using the referenced link, the document will be available through the referenced link within twenty-four hours of the filing. Also, a copy of this filing will be available on the Commission’s eLibrary website located at the following link: http://www.ferc.gov/docs-filing/elibrary.asp in accordance with the Commission’s regulations and Order No. 714.

Respectfully submitted,
