

## Exceptions to the three percent dfax Three Pivotal Test (TPS) threshold

The default TPS distribution factor (dfax) threshold for PJM constraint is 3%.

According to the PJM tariff, PJM is required to post any exception to this 3% TPS threshold.

CONSTRAINT	Operation Threshold	Effective Time	Termination Time
EAU CLAIRE-ARPIN 345 kV (external)	2.0%	11/6/07 15:00	12/12/08 16:00
