Rebecca Carroll  
Super Forum Facilitator  
Member Committee  
February 21, 2019

The initiative is expected to:

1. Provide education on the evolution and rules of the stakeholder process
2. Explore potential opportunities to modify current governance structure to address areas identified in the problem statement, such as:
  - a. Prioritization of issues to allow stakeholders to manage the volume of issues under consideration and the volume of meetings
  - b. Develop an additional pathway for vetting issues that are contentious or must be decided quickly
  - c. Enhance transparency throughout the PJM stakeholder process and decisional hierarchy
