

DER and Inverter-based Resources Subcommittee – EDC Coordination workshop on DER WebEx Only February 11, 2021 2:00 p.m. – 4:00 p.m. ET

Administration (2:00 - 2:05)

- 1. Scott Baker opened the meeting and reviewed the agenda.
- 2. Hamad Ahmed reviewed the meeting participation guidelines.

Thomas DeVita, PJM, stated that PJM has not made a final decision on requesting an extension on the compliance filing for Order 2222, but said that PJM was leaning more towards a 6 month extension rather than a 3 month extension, as discussed at a prior meeting. Multiple stakeholders in the meeting, mostly TOs, expressed support for a 6 month extension.

Order 2222 - RTO/Distribution Utility/DER Aggregator Operational Coordination (2:05 - 3:55)

- 3. Stakeholders continued to workshop concepts around an operational framework for DER Aggregation.
 - a. Donnie Bielak, PJM, briefly discussed evolving draft operational coordination framework and highlighting key areas around communication and management model between PJM, aggregator and the utility.
 - b. Sal Salet, PPL utilities, discussed EDC/TO coordination/communication framework for operational dispatch and override. Sal deliberated different challenges surrounding operating a dynamic distribution grid and highlighted automation as a possible solution. Sal also discussed different EDC communication and management models.
 - c. Various representatives from different EDC's provided their insight and discussed numerous challenges from their perspective highlighting that optionality when it comes to coordination frameworks will be crucial, as all utilities will be in a different phase of grid modernization. EDC's also discussed reliability and customer benefits and how the grid is evolving.

Action items and next meeting agenda (3:55 – 4:00)

4. The facilitation team will reviewed action items from the meeting.

Antitrust

You may not discuss any topics that violate, or that might appear to violate, the antitrust laws including but not limited to agreements between or among competitors regarding prices, bid and offer practices, availability of service, product design, terms of sale, division of markets, allocation of customers or any other activity that might unreasonably restrain competition. If any of these items are discussed the chair will re-direct the conversation. If the conversation still persists, parties will be asked to leave the meeting or the meeting will be adjourned.

Code of Conduct

As a mandatory condition of attendance at today's meeting, attendees agree to adhere to the PJM Code of Conduct as detailed in PJM Manual M-34 section 4.5, including, but not limited to, participants' responsibilities and rules regarding the dissemination of meeting discussion and materials.

Public Meetings/Media Participation:

Unless otherwise noted, PJM stakeholder meetings are open to the public and to members of the media. Members of the media are asked to announce their attendance at all PJM stakeholder meetings at the beginning of the meeting or at the point they join a meeting already in progress. Members of the Media are reminded that speakers at PJM meetings cannot be quoted without explicit permission from the speaker. PJM Members are reminded that "detailed transcriptional meeting notes" and white board notes from "brainstorming sessions" shall not be disseminated. Stakeholders are also not allowed to create audio, video or online recordings of PJM meetings. PJM may create audio, video or online recordings of stakeholder meetings for internal and training purposes, and your participation at such meetings indicates your consent to the same.

Participant Identification in WebEx:

When logging into the WebEx desktop client, please enter your real first and last name as well as a valid email address. Be sure to select the "call me" option. PJM support staff continuously monitors WebEx connections during stakeholder meetings. Anonymous users or those using false usernames or emails will be dropped from the teleconference.

Linking Teleconference Connection to Webex

When logging in to the meeting, access Webex first and select the "call me" feature to receive a direct call to your phone. Using this feature will connect your name to your Webex presence.

Join a Meeting

- 1. Join meeting in the Webex desktop client
- 2. Enter name (First and Last*) and corporate email
- 3. Under "Select Audio Option" select "Call Me" option from the dropdown menu

*Note: Anonymous users or those using false usernames or emails will be dropped from the teleconference.
