

CES

Established in 1998, Customized Energy Solutions, Ltd. (CES) is a privately owned corporation based in Philadelphia, PA with a current staff of 350 professionals. CES has offices throughout the United States and internationally.

CES assists clients in managing and staying ahead of the changes in the wholesale and retail electricity and natural gas markets. Serving hundreds of clients, CES offers best-in-class hosted energy market operations platforms and services.

CES is committed to promoting economic development through the advancement of transparent, efficient, and nondiscriminatory wholesale and retail electricity and natural gas markets. We focus on empowering our clients by sharing our understanding of the workings of the energy markets and related new technologies as well as by providing access to our hosted software platforms.

CES has been recognized regionally and nationally for its impressive and sustained growth, including INC. 500|5000.
