PJM Resource Adequacy

- Adam Keech reviewed the materials and PJM's proposed Must-Offer Requirement for intermittent, storage and hybrid resources, as well as the Market Seller Offer Cap proposal, and segmented offers proposal.
- Keech reviewed feedback received in the December 13, 2024, consultation with the Members Committee.
- Keech reviewed the proposal to be filed, noting that the filing would be made on or about December 20, 2024, with the intent of implementing the filed changes for the 2026/27 Base Residual Auction (BRA).
- The Board discussed the PJM proposal and other issues set forth in the letters received, and the Board questioned aspects of the proposal and PJM's ability to support the proposal.
- **Upon a motion duly made, and seconded, the Board unanimously approved PJM submitting a filing pursuant to Section 205 of the Federal Power Act with revisions to the Tariff to effectuate the expansion of the Must-Offer Requirement and revisions to the Market Seller Offer Cap provisions. There was no objection to recording the vote of David Mills, who did not participate in the vote at the meeting but requested that his vote be recorded in support.**

Charlie Robinson and Paula Conboy exited the meeting at 3 p.m.
