Critical Issue Fast Path – Reliability Backstop Procurement / Connect & Manage

10:15 a.m.–
12:15 p.m.

- A. As a follow-up from the June 30, 2026 CFP Stage 4 and Members Committee meetings, the Board of Managers will continue discussions of the Critical Issue Fast Path packages and presentations, as well as the voting results and any written comments received, and determine the next steps to select the proposals or solutions that in its judgment are the most appropriate to address the issues facing PJM.
- B. The Board will develop a communication to the Members, setting forth the Board's selection of any solution and its reasoning.
