

# Critical Issue Fast Path – DOE 202(c) Cost Allocation Work Plan

David Anders, PE  
Sr. Director – Stakeholder Affairs  
CIFP Stage 1 Meeting  
June 10, 2025

## Process

**Stage 1** – Similar to the normal CBIR process. PJM will provide stakeholder education and its initial solution package and alternatives considered, including its option alternatives to stakeholders

**Stage 2** – Stakeholders may discuss any previously considered and/or new alternatives, with row-by-row reviews of the CIFP matrix.

**Stage 3** – Based on the row-by-row discussions, PJM will finalize its package, and stakeholders will create alternative packages as appropriate.

**Stage 4** – “Final Meeting”: For the benefit of all meeting attendees, PJM will review its package proposal in the solution Matrix on a row-by-row basis to show how its solution addresses the PS/IC. At the conclusion of the PJM presentation, Members and invited non-Member stakeholders, whether individually or in self-selected coalitions, will provide feedback to the Board on the impacts, positive or negative on the option details contained within the solution Matrix.

## Work Plan

### Formal Process
