

OPSI Annual Meeting - Request for Speakers

Washington, D.C. – October 6-7, 2025

MC Information Webinar

July 30, 2025

Panels and Short Presentations

Moderated Panels - 3 to 4 panelists per panel

- **Data Center Load Growth:** Is further adaptation at the wholesale level needed?
- **How Can PJM Add Generation More Quickly?**
- **2026/27 Base Residual Auction:** What's next?
- **Beyond Second-Generation Capacity Markets:** What does the future hold?
- **Transmission Planning Under Order 1920:** Is the stage set, or is there more work to do before the first cycle?
- **From the Top:** How have executive orders, DOE actions, and changes in federal law impacted wholesale markets?
