

DOE 202c Cost Allocation Senior Task Force Monthly Progress Report

July 24, 2025

1. Cost Allocation Issues Related to DOE Orders

Target Completion Date

The work plan is available [here](#) and targets a completion date of October 2025.

Issue Status

At the July 22 202CSTF meeting education was provided on “RPM Cost Allocation.” PJM also led a discussion on the approach to development of cost allocation methodologies for future DOE 202c Orders. Interest identification and design components were also discussed.

Action Requested

Stakeholders are asked to ensure [company rosters](#) and [email subscriptions](#) are up to date for the 202CSTF. Please contact customerservice@pjm.com for email subscription updates. Stakeholders are also asked to submit any [Options & Package Matrix](#) updates to mollie.lacek@pjm.com and David.anders@pjm.com.

History/Background

The Issue Charge was approved at the June 18, 2025 MRC meeting.

Interest identification and design components were discussed at the July 9, 2025 202CSTF meeting.
