Action Required	Deadline	Who May Be Affected
Stakeholder Profile Review and Validation	12/10/25 – 12/17/25	Individual Stakeholders

Tool Enhancements

- PJM is implementing tool enhancements that will better support stakeholder meeting logistics.
- The enhancements aim to capture more accurate registration information with the objective of introducing greater efficiency for logistical processes dependent on accurate registration information.
- The enhancements also aim to provide for additional efficiencies through data automation and create a foundation for potential additional automation in the future.
- Stakeholder action is required to prepare for implementation.

- The Stakeholder Profile has been added to user accounts in Account Manager to indicate who a user is representing in the stakeholder process.
- After initial population by PJM, stakeholders will be asked to maintain their own Stakeholder Profile.
 - The Stakeholder Profile data will be leveraged for meeting registration and meeting minute attendance.
 - The Stakeholder Profile is available to all stakeholders, not just Members or roster representatives.

Members Committee

The Members Committee (MC) reviews and decides upon all major changes and initiatives proposed by committees and user groups. The MC provides advice and recommendations to PJM on all matters relating to:

- the safe and reliable operation of the PJM grid,
- the creation and operation of a robust, competitive and non-discriminatory electric power market, and
- ensuring there is no undue influence over PJM's operations by any member or group of members.

Chair: Lynn Worthing, American Municipal Power, Inc.
Vice Chair: Susan Eick, NextEra Energy Marketing, LLC
Secretary: Anne Rogers

During the meeting, if you are experiencing issues with connectivity or teleconference, please contact Meeting Support. For registration issues, contact Kari.
