

Complete Regulation Redesign Phase 2 Conversion Testing **ASAP**

Regulation Conversion **Testing Now** Prevents **Delays** and **Participation Disruption**

Action Required by: PJM Regulation Market participants and their technical teams

Steps to Follow:

1. Reach out to PJMTelemetrySupport@pjm.com to complete your telemetry point setup.

2. Once telemetry is set up, send a conversion testing request to RegulationTesting@pjm.com.

Please refer to the **Regulation Conversion Testing Checklist** for important details.
