Multiday Scheduling Time-Line

Example 1: Weekday

Monday critical operations run Wednesday–Friday

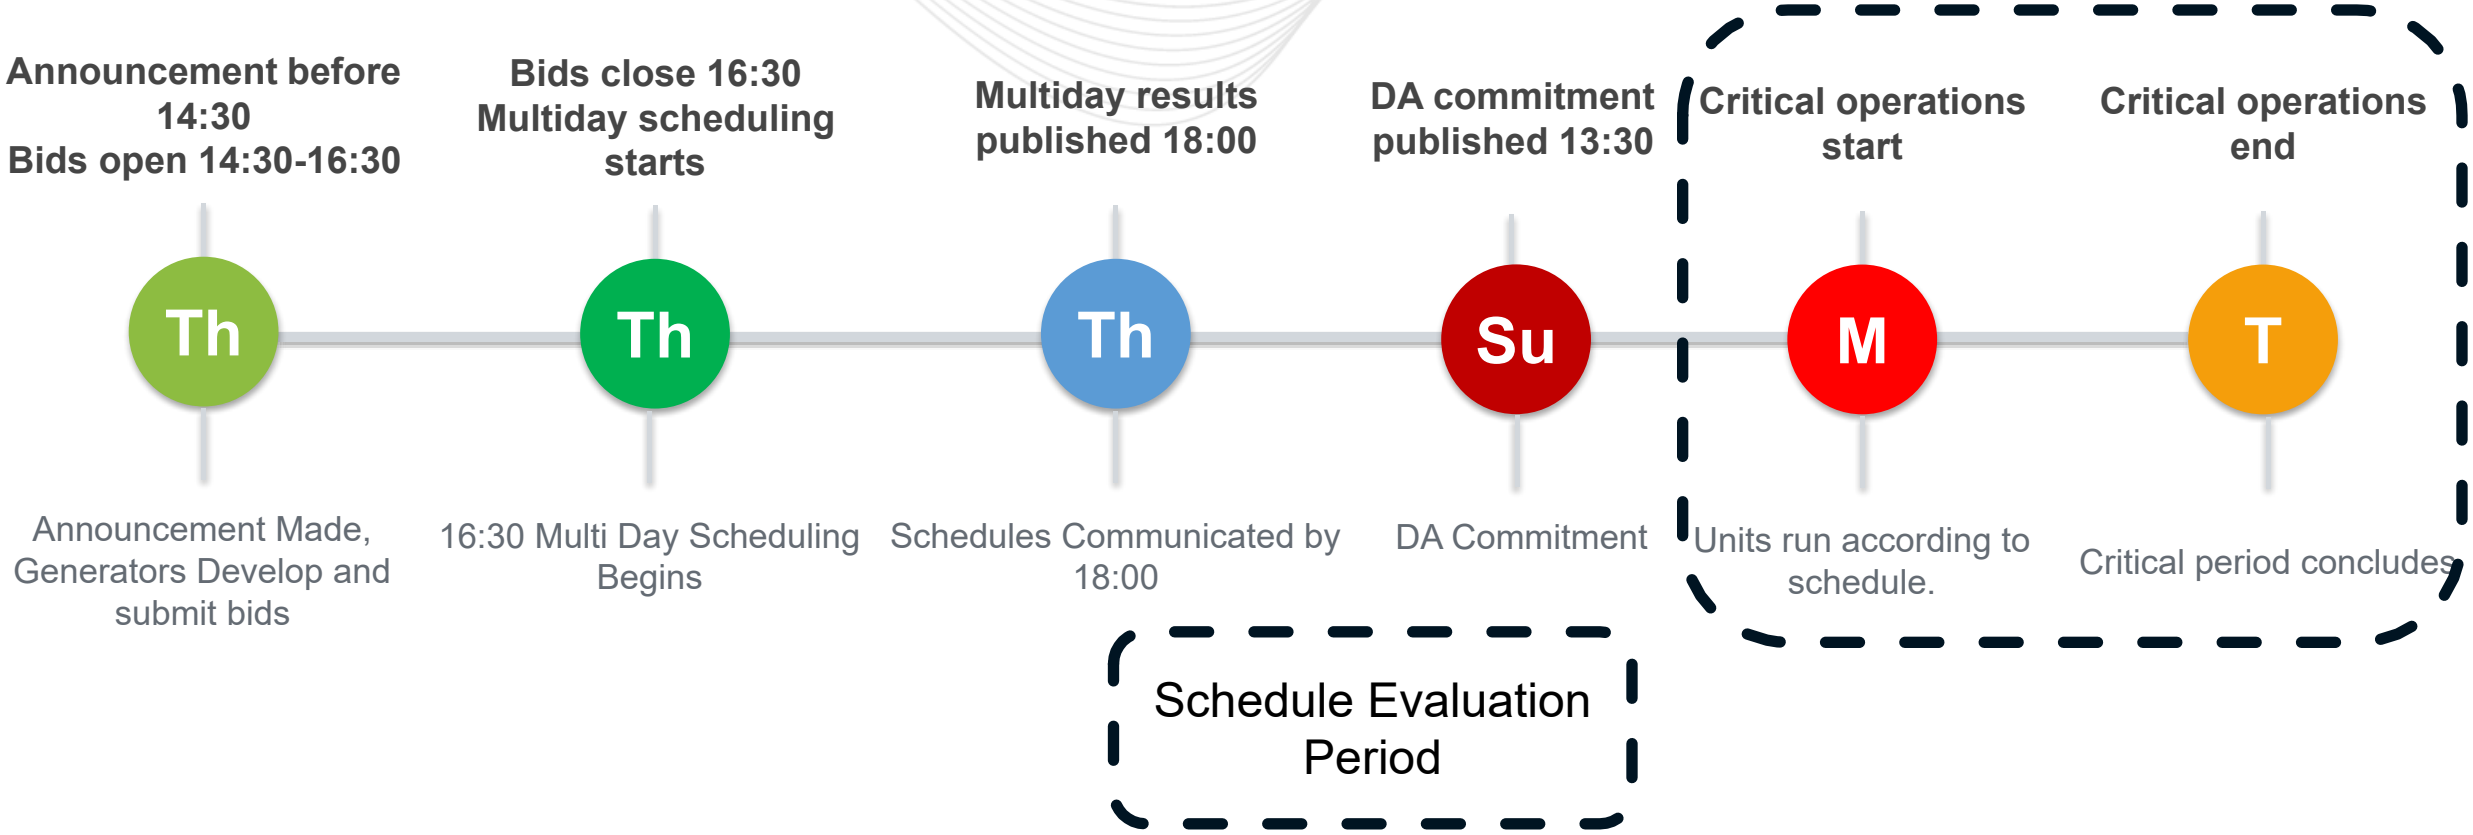

Key Takeaway: A Monday announcement for Wednesday through Friday critical operations creates a multi-day preparation window, allowing generators to submit bids, receive schedules, and ensure operational readiness before the critical period begins.

Multiday Scheduling Time-Line

Example 2: Weekend – Monday Holiday

Thursday critical operations run Monday–Tuesday

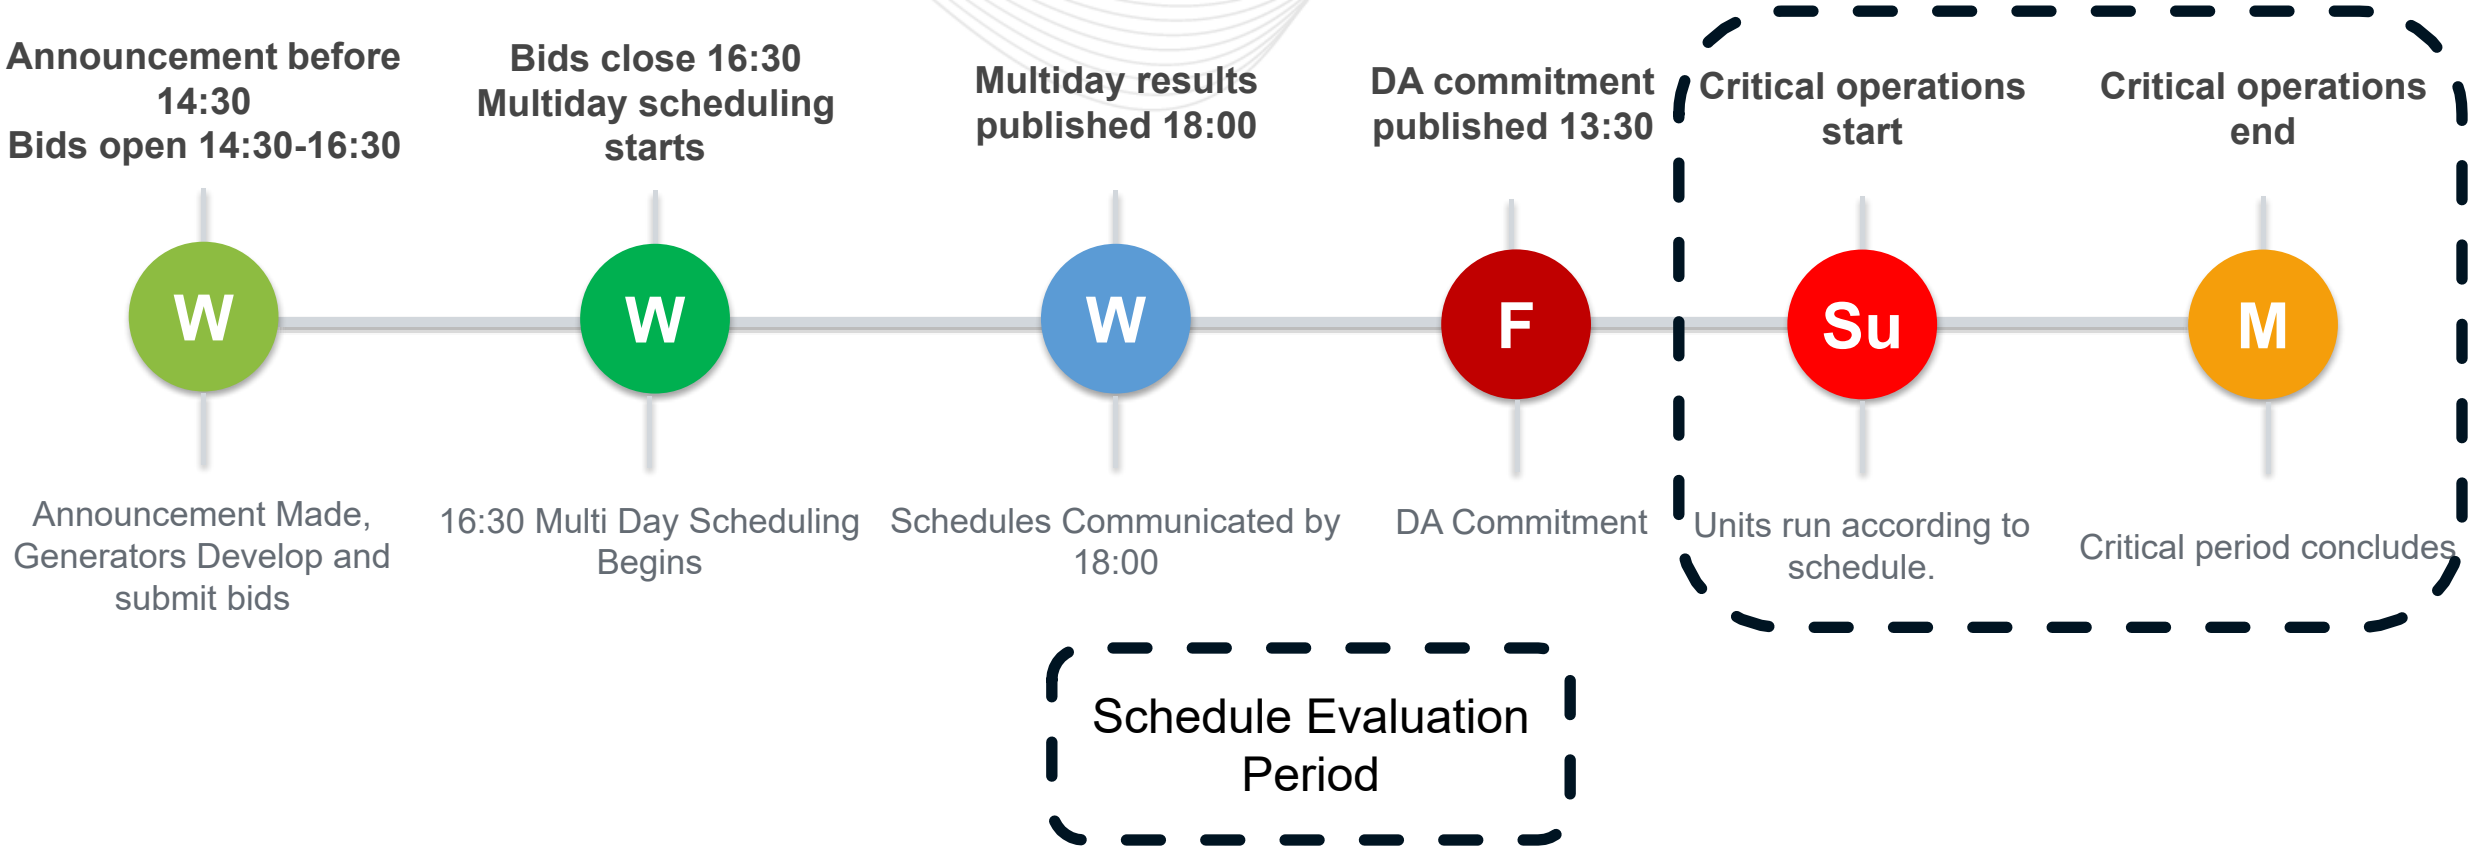

Key Takeaway: A Thursday announcement for Monday through Tuesday critical operations creates a multi-day preparation window, allowing generators to submit bids, receive schedules, and ensure operational readiness before the critical period begins.
